Talk of the Town

The class of 1992 was definitely one worth talking about. Throughout our years at Millbury High we sparkled above the rest displaying our consistent drive on the athletic field, in the classroom and in the hallways. We began to strive for our goals beginning in our eighth grade year and unlike a lot of classes we didn't stop dreaming at graduation, but instead we plan to continue reaching for the stars and all our dreams. Our persistent and strong-willed personalities have given us the strength to be our best and become one of the most mature classes that have journeyed through Millbury High in years. Our experiences at MHS have helped us advance into adulthood as we face our limitless future, whether we face the military, employment, or post-secondary education. Thanks to the guidance from our advisor, Mr. Dufault, "Bob Kid's" will be forever reminisced. The class of 1992 will be remembered as the "Talk of the Town."

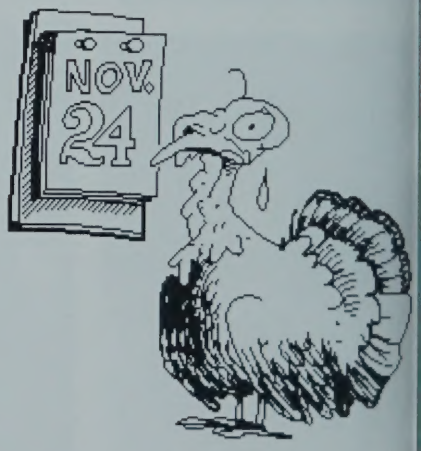
The Man Behind Our Dreams

Left: Mr. D being himself
Below: Mr. D w/ moustache
Right: Mr. and Mrs. D (how cute!)

Mr. Dufault was our class advisor but, he was also our teacher, supporter, and most importantly, our friend. Mr. Dufault began the journey through high school with us at the very beginning when we were young kids in the eighth grade. He began to turn us into young adults by supporting and encouraging us to accomplish things we never thought possible until we met him. Although a lot of people, including the Class of '92, questioned his ideas, in the end they always turned out to be very productive and rewarding for the Class of '92. Along with Mr. D came a woman we are all grateful to, Mrs. D. Mrs. Dufault made sure Mr. D was keeping up on things, she helped with our fund-raisers and she became someone to count on. Mr. and Mrs. Dufault managed to put the needs of the class before theirs and for that we thank them and are forever grateful. Mr. Dufault, we love you and forever will be "Bobby's Kids!"



Please Mr. D, no more turkey raffle tickets!!!

Above: The woman behind the man, Mrs. D!

The Senior Semi Formal was a big success this year. It was held at the Ramada Inn in Auburn and was a lot of fun up til the end. The music was supplied by Perry Conte and the Class proved to be "Too Legit to Quit!" The night will be a memory in our hearts for years to come.

The Senior Class Trip was held on May 19th, at the High Meadows Resort in Connecticut. The weather was beautiful and the day was filled with exciting events including; softball, basketball, volleyball, shuffleboard, egg toss, sun bathing and obstacle course. Bob Mallet tied for first place in the lip sync while doing Madonna's *Vogue,* it was a very interesting performance. Everyone had a wonderful time and participated in most events.

The boys soccer team played their hearts out this year and ended up with a final record of 6-7-6. The team missed the districts by only one game this season. The team was lead by senior captains Dave Bunevith, Kevin Hanson and Scott MacDonald. Kevin Hanson and Scott Anderson both recieved S.W.C.L. All-Star and Central Mass All-Star. We would like to congradulate the team on a fine seasonand wish them luck for the years to come.

The girls' soccer team came through with a winning team and record this year. However, once again, the team missed the District Title Games by one point. Leadership by the senior captains Lisa Cristo, Jodi Donovan, Shannon McArdle, and Stephanie Notidis proved to be a great asset for the team. Senior defender Amy Denning also contributed a great deal to the team.

A game that will greatly be remembered is the Grafton make-up game. Millbury, being behind 2-0, was able to score 3 goals in the remaining time of 16 minutes to win the SWCL game 3-2.

Next year, the team has potential with many underclassmen to display leadership and talent. Good Luck to the team in 1992 season!

The Millbury football team stuggled through the season with a final record of 1-10. The team may not have been the strongest team when it came to the scoreboard, but it was undefeatable when it came to playing with their heart. The team had a strong victory over Hudson Catholic with a score of 29-2 making it their only win of the season.

The 1991 team had a total of eight seniors coming on and off the feild each game. Senior captains included Shaun Kehowski and Keith Jacobson. With the majority of the 1991 team returning next year, the team has high hopes for a successful season in 1992.

MHS Volleyball Team Plays Strong And Hard

Above: Ami Sulham, Pam Credit, Jodi Sulham, Amy Credit, Kristen Boire, Jessica Woodward, Sarah MacConnell, Tiffany Burke, Leanne Browne, Tara Swenson, Cheryl Goudbout, Erin O'Leary.

The varsity volleyball team was led by four seniors, Kris Boire, Pam Credit, Sarah MacConnell, and Jodi Sulham. All four seniors had excellent serving percentages and helped the team play very competitive matches.

The 1991 season saw the team develop a 2-4 offense (a setters, 4 hitters). The setters accepted the responsibility of controlling the offense. The starting setters were Cheryl Godbout and Ami Sulham. Known for their hitting (spiking, service reception, blocking) were Jodi Sulham, Pam Credit, Kris Boire, Sarah MacConnell, Amy Credit, Leanne Brown Jessica Woodward, Erin O'Leary Tiffeny Burke, and Tara Swenson.

All of the team members contributed to the success of the season. Although there were only 2 match wins, many of the games were extremely close as evidenced by the numerous 12-15, 13-15, 14-16, 17-15 scores.

Milissa Rudge was the team manager for the second season.

The boys basketball team finished their season in March with an overall record of 21-3. They won the S.W.C.L. for the second straight year and 7th time in the last nine years. The boys also captured the District E Division crown. Their overall record ranks them with some of the best Millbury teams.

Even though they were defeated by a talented Smith Academy team(the eventual State Champs), the thrill of playing at the Centrum will be a long lasting memory for all. This years team had 10 seniors that contributed to this years' success. Their leadership will be hard to replace, but that ability will help future Millbury teams carry on a winning tradition. Bryant, Shaun, Keith, Dave, Bud, Chris, Scott, Lou, Frank, and Dan, thank you for all the good memories and good luck in the future.

The boys of 1992 will be remembered for their basketball record, but, they also should be known for their sportsmanship. They finished sixth out of over 75 teams in Central Mass.

The girls' basketball team had a tough season this year with a team that had only one senior, Jodi Sulham, and a lot of underclassmen. The team did all they could against each and every opponent and they managed to capture three wins. The girls have a lot of hope for the seasons to come with many of the players becoming interested in the game earlier in life.

The 1991-92 indoor track season was one of accomplishment and surprise. The girls' team finished in second place in the division with a 6-1 record and finished in 12th in the district meet. The team was lead by seniors Jen Day, Marie Murphy, Shannon McArdle, Nicole Jolicoeur, and Randie Jalbert. The boys' team finished with a 3-3 record good for third place in their division. The boys also finished in 13th place in the district meet and 14th in the state meet. The boys' squad was led by seniors Tom Decoteau, Bob Turner, Kevin Hanson, Scot Vayo, and Shamus Hamil.

Both indoor track teams earned the M.I.A.A. academic team award for having an average of 80 or above. This is quite an accomplishment since there were 68 athletes on the team. Both Coach Wilbur and Coach Morril congratulate each athlete on a fine season and thank you for your dedication.

Boy's Indoor Track - Mike Anderson, Ray Grenon, Kevin Hanson, Kevin Murray, Bob Turner, Ken Washwell, Brian Hickey, Kevin Pease, Keith Wilkinson, Tom Dawson, Dave Nielsen, Paul Raffa, Mike Capurso, Tom Decoteau, Shamus Hamill, Sean Johnson, Dave Rossow, Scot Vayo, Mike Dyer, Charlie Marble, Matt Tella, Andy Mason, Konrad Antczak, Joe Noel, Kris Clawson, Mgr. A lot was expected from tis year's varsity baseball team but, the lack of consistent pitching spelled the downfall for the Woolies in many games. Too many times the opposing teams had big innings from which the team could not recover. Many of the young players recieved playing time which should give Millbury an experienced team returning next year. The team was led by senior Shaun Kehowski who had a steady season.

The girls varsity softball team had one of its best seasons ever. The first half of the season saw us struggling with 5 wins and 6 losses. We then began playing the way we are capable of playing and went on to win our last eight scheduled games. The team finished the regular season with a record of 13 wins and 6 losses.

The girls finished in second place in the S.W.C.L., runner up to a strong Uxbridge team. The team also qualified for the districts but lost their first game to Northbridge.

The team was built around six seniors who did a fantastic job. They worked together and were great leaders to the younger players. It will be a tough job to fill their shoes. To those girls: Dennis and Steve will miss you.

Strong Showing This Spring

The girls' team had a fine season even though there were no seniors on the team. The team got outstanding performances from every member of the team all season. The boys were led by Bob Turner who placed second in the shot put, Scot Vayo who took second in the discus, Tom Decoteau who took third in the hurdles and Todd Green-Williams who took fifth in the 330 hurdles in the district meet.

This year, the cheerleaders cheered for both the football and basketball seasons. In addition, they continued to rally on the basketball team at the Clark Tournament and the District Games. They also held the first annual "Cheerleader for a Day" Cheerleading Clinic which turned out to be a big success.

The cheerleaders former coach was suddenly replaced by Sherri Kehowski in the beginning of the football season. Although this adjustment was unexpected, it turned out to be a great year. The seniors of the 1991-1992 Cheerleading squad were Kim Salois, captain and Lori Bernard, co-captain. The seniors of this years' squad would like to wish the best of luck to the future leaders.

As Co-Editors-in-Chief, we would like to offer special thanks to those members of the class and community who made this yearbook possible. It was through these efforts that we were able to make the 1992 **Aftermath** a huge success. The road to the final pages was a tough one with only one person knowing how to use the computer, but with an immense amount of teamwork and an extreme lack of bickering we were able to pull it off. Because of a hectic senior schedule, the time was not always available for the rest of the staff, but we do wish to extend our gratitude to those few that did offer the time and to them we say, "Thank you". We would like to say a special thanks to Claire Sygiel, our Herff Jones representative, for her patience with us on Wednesdays, Dave Burgess the Hilton photographer for his sparkling personality, and finally Mr. Genese our yearbook advisor. Thank you all; we couldn't have done it without you.

Sincerely,

Co-Editors-in-Chief
Christine Sweet
Amy Rocheford

A Letter of thanks . . .

Dear Class of '92,

Throughout the last five years I've had the distinct honor of serving as your class advisor. When you were 8th graders I marveled at your drive and ambition. I had never dealt with a group of students who wanted to be so involved, so in control, while still maintaining that special quality that made you fun to be around.

You've always presented yourselves as unique individuals. Never content with following the crowd, you took your place as leaders. You've been a class marked by excellence and of unprecedented accomplishments in the history of Millbury High School. Over the years you have displayed your academic prowess, shared your musical and artistic talents, and have proven to be worthy opponents in athletic competition.

You will be one tough act to follow.

If this all sounds familiar to you, it should. I've excerpted passages from my Graduation speech. What was said then still holds true. But there is more . . .

On behalf of Mrs. D and myself I want to wish you all a sincere and heartfelt 'Thanks' . . . for all the smiles and the laughter we've shared over the years . . . for the kindness, thoughtfulness, and caring you've shown, not only to us, but to Anna Leigh and Evan as they grew up with you . . . for memories of a class that will always linger in our minds . . . for allowing us to be part of it all.

. . . and so, in the words of James Taylor

"I guess it had to happen someday soon.
There was nothing to hold them down.
They will rise from among us like a big balloon.
Take the sky and forsake the ground.
Oh yes, other hearts were broken.
And yes, other dreams ran dry
but our golden ones will sail on and on
into another land beneath another sky."

May you achieve all the successes and goals that you so much aspire to throughout your lives in that 'other land'.

And remember . . . you will FOREVER be our golden ones.

Sandy Nikolajevs, Shaun Kehowski, Shannon McArdle, Ken Thompson,

To my former third grade students,

We don't realize how quickly the time passes, as we go through school. Since third grade, we've laughed together, cried together, teased each other, worried together, shared our problems, experiences, opinions, thoughts, goals, and dreams.

The power of a teacher is like the power of a parent. Once students decide they trust and like a teacher, they often feel comfortable talking with, listening to, and seeking out the teacher as the need arises.

It is now 1992. Ten years have passed since we first met. You have now graduated. Some of you couldn't wait to leave and some of you dreaded the thought of going out into the world alone. Some of you have left for college, some have entered the work field, some have joined the armed forces,and some are still undecided about their future.

After graduation, it is a time of change. You will be granted more responsibilities and more privileges. You will become a more active part of the adult world and the society of life. You're now free to discover and reach your goals and perhaps realize what life is all about.

Some of you may never see each other again. But, when and if you do, you'll talk about the good old days, when this happened, and when that happened, and remember when...?

Thank you for being my third grade students! It has been a pleasure watching "my kids" grow up and become young men and women. No matter where your paths lead you, please remember to keep in touch.

Best wishes for a bright and happy future!

Your teacher and friend,

Miss Lin Simulavich
